PROJECTS

Case-Cobra
Case Cobra allows you to upload and customize photos to create your unique phone case. • Utilizing Neon, UploadThing, Next.js, and Stripe, it offers a seamless, personalized shopping experience.

File Encryptor

Esports score app
Developed an application using Next.js and the VLR API to display the latest news and scores in Valorant esports

Safe Ride - Ongoing
Developing a real-time driver safety monitoring system leveraging Headpose detection and Drowsiness models on a Raspberry Pi platform.

Cybersecurity automation, uniquely customized for each client, integrates risk assessment with business processes for robust protection against evolving threats.

PROFILE SUMMARY

<Name> is a seasoned Cybersecurity Analyst/Engineer who excels in automating cybersecurity processes, especially in operational technology and application security. They adeptly manage network threats, conduct rigorous website and risk compliance evaluations, and innovate in lab setups for application security. Their expertise extends to ISO 27001, NIST 800-53 standards, enhancing resilience and compliance in diverse tech environments. Their career embodies strategic vision and deep technical acumen.

SKILLS / TECHNOLOGIES

Programming Languages **C++, Java, Python, SQL.**

Application Security < >

Automation and Integration <**Technologies**>

IT Security Controls Compliance

<**Technologies**>

Security Info & Event Monitoring (SIEM)

<**Technologies**>

PROFESSIONAL CERTIFICATIONS AND CREDENTIALS

CompTIA Security+

Google Cybersecurity dual credential

Application security & Vulnerability Testing <Cybersecurity Certificataions>

KEY COMPETENCIES

● ● ● ● ● Computer Programming

● ● ● ● ● Security Architecture and Strategy

● ● ● ● ● Application Security

● ● ● ● ● IT Security Controls Compliance

● ● ● ● ● Security Operations

EDUCATION

B.E., Electrical and Computer Science Engineering, *Thapar Institute of Engineering and Technology* - *8.24*

Senior High School, *Hartmann College*, *93.3%*

High School, *Hartmann College*, *95%*

ACADEMIC QUALIFICATION:

Qualification	Year	% Marks / CGPA	Institution/College	University/Board
Bachelor Of Engineering	2021-2025	8.24	Thapar Institute of Engineering and Technology	Thapar University
Senior High School (12th)	2021	93.3	Hartmann College	ISC
High School (10th)	2019	95	Hartmann College	ICSE
